Build Your Dream Home!

Ever thought about Custom Building Your New Dream Home? It is more affordable than you may think. As Real Estate Brokers, we help you explore all your New Home Building options from start to finish. **Call us at 703-385-RICK | 703-385-7425 or Rick's Cellphone 703-819-5421** to obtain not only the information you need but more importantly the experience and expertise that will tremendously benefit you financially.

Rick & Joey Washington Saunders are Real Estate Brokers with collectively more than 60 years of Northern Virginia real estate experience. They know the Northern Virginia real estate market very well. Rick is a native of Northern Virginia. Rick's love of Northern Virginia Real Estate began early. The real estate development [Saunders Haven](#) in Great Falls, VA was named after Rick's Family. Joey Washington's Northern Virginia roots are strong, too. Joey is one of the closest living relatives to [George Washington](#) who was the first to survey Northern Virginia. He inspired [Joey Washington-Saunders'](#) company, Lord and Saunders Real Estate, the first to interactively map the Northern Virginian Real Estate market to serve as Your Northern Virginian Real Estate Guide.

Their knowledge and proficiency will serve you well to make an informed real estate decision when Building Your New Dream Home or when Buying or Selling Northern Virginia Real Estate.

Rick is also a Mortgage Loan Officer, NMLS #852531, with Mortgage Center of America, Inc., too. Therefore, not only does Rick have vast real estate experience regarding helping his clients to wisely choose the Best Builders, Architects, Attorneys, Developers, Engineers and Mortgage Lenders, etc. but Rick also knows the Mortgage side of Building your New Dream Home that will save you both time and money.

Helping You Build Your New Dream Home is what they do.

The Washington Post said, "Rick Saunders is the most knowledgeable agent in the country".

Click [New Homes For Sale](#) to Access Every New Home For Sale In Northern Virginia!
